EXTREMELY EXCITING EXSHAW EXCURSION

A day trip to the mountains is planned for Thursday, June 10th. This is a field trip for the whole school. The plan is to tour the Exshaw Cement Plant and Quarry that is located east of Canmore and then if the weather is good, take a nature hike up into the hills. We will need to leave by 7:30 in the morning, and return by supper time. Any parents who would like to come along and help with supervision would be appreciated. Just contact the office so we know how many to plan for.
